## Timpte Industries, Introduces Online Parts Store at Timpte.com

*Timpte's commitment to service continues.....*

David City, NE (February 8, 2011) – Timpte Industries, the industry leader in manufacturing dry bulk commodity trailers, is proud to announce the expansion of their web site [www.timpte.com](http://www.timpte.com). Timpte.com will now include an Online Parts Store, which will enhance the customers shopping experience by complimenting the company's physical locations.

Timpte has been serving the needs of the transportation industry since 1884. Since then, Timpte has rapidly expanded to meet and exceed customer's expectations by putting them first. Timpte's Online Parts Store has been designed for customers who need parts, but don't have time to access one of the conveniently located branches or authorized dealers.

Timpte.com can be conveniently access anywhere in the world at any time of the day. It's an easy to use web site, that's safe and secure. Online shoppers will have access to a variety of parts, and will be able to complete orders within minutes. This online shopping experience will not only allow customers to shop for parts, but allow them to save contact information when signing on for future purchases. Additional features on timpte.com like multiple options for delivery will ensure that packages arrive when needed. Furthermore, online shoppers will be provided with a UPS tracking number that will allow them to track shipments from start to finish. Saving time is only a click away at [www.timpte.com](http://www.timpte.com).

Timpte has built a reputation on quality, commitment to service, and a never ending pursuit of excellence.
